

She Never Looked That Good When She Was Mine

John Anderson

Well, I saw her today and I thought for a while I was dreamin'
She was the prettiest thing I had seen in a long, long time
She introduced me to him and while we were talkin' I just stood
there thinkin'
That she never looked that good when she was mine

It was all I could do to hide all the things I was feeling
Lord, just looking at her sent chills up and down my spine
She looked so young in the night, just like an angel and I just
stood there dyin'
'Cause she never looked that good when she was mine

I wonder if he stays out late the way I used to do
With all his friends, the jukebox and the wine
Maybe he just stays at home and let's her know he loves her
'Cause she never looked that good when she was mine

Awww, and maybe he just stays at home and let's her know he loves her
'Cause she never looked that good when she was mine
