

Grease

John Barrowman

I solve my problems and I see the light
We got a lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believin' now that we can be who we are

Grease is the word

They think our love is just a growin' pain
Why don't they understand, it's just a crying shame
Their lips are lying only real is real
We can stop the fight right now
We got to be what we feel

Grease is the word
It's got groove, it's got meaning
Grease is the time
Is the place, is the motion
Grease is the way we are feeling

We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are

Grease is the word
It's got groove, it's got meaning
Grease is the time
Is the place, is the motion
Grease is the way we are feeling

This is a life of illusion
Wrapped up in troubles
Laced in confusion
What are we doing here?

We take the pressure and we throw away
Conventionality belongs to yesterday
There is a chance that we can make it so far
We start believing now that we can be who we are

Grease is the word
It's got groove, it's got meaning
Grease is the time
Is the place, is the motion
Grease is the way we are feeling
