

Brotherman

John Cale

I write reams of this shit every day,
I'm not the only one either!
Where the hype comin' from Brotherman Brotherman
Where the hype comin' from Brotherman Brotherman
Sitting in the courtyard with Uncle Sam
Uncle Sam
Uncle Sam
Uncle Sam
Where the heat comin' from Brotherman Brotherman
Uncle Sam
Here in the courtyard with Uncle Sam
Uncle Sam
Uncle Sam
You're just feeling some of the magic
But you're feelin' it
This is just some of the magic
I write reams of this shit every day
But you're feelin' it
Where's the heat coming from Brotherman Brotherman
Uncle Sam
Uncle Sam
Very uncomfortable... but you're feelin' it
Very uncomfortable... but you're feelin' it
Where the hype coming from Brotherman Brotherman
Out there in the courtyard with Uncle Sam
Where the heat coming from Brotherman Brotherman
An' is it gonna get me
It's just part of the magic
Very uncomfortable...but you're feeling it
Very uncomfortable...but you're feeling it
I write reams of this shit every day
Is it gonna get me
Is it gonna get me
When is it gonna get me
