

# A Baby Just Like You

John Denver

The season is upon us now  
A time for gifts and giving  
And as the year draws to its close  
I think about my living

The Christmastime when I was young  
The magic and the wonder  
But colors dull and candles dim  
And dark my standing under

Oh little angel, shining light  
You've set my soul to dreaming  
You've given back my joy in life  
You've filled me with new meaning

A savior king was born that day  
A baby just like you  
And as the Magi came with gifts  
I've come with my gift too

That peace on earth fills up your time  
That brotherhood surrounds you  
That you may know the warmth of love  
And wrap it all around you

It's just a wish, a dream I'm told  
From days when I was young  
Merry Christmas little Zachary  
Merry Christmas ev'ryone
