## **The Real Me**

## John Entwistle

Can you see the real me...can ya...can ya... I went back to the doctor To get another shrink I sit and tell him 'bout my weekend But he never betrays what he thinks

Can you see the real me doctor?

I went back to my mother I said I'm crazy ma help me She said I know how it feels son 'cause it runs in the family Can you see the real me mother?

The cracks between the paving stones Like rivers of flowing veins Strange people who know me Peeping from behind every window pane The girl I used to love Lives in this yellow house Yesterday she passed me by She doesn't want to know me now Can you see the real me, can you?

I ended up with the preacher Full of lies and hate I seemed to scare him a little So he showed me to the golden gate Can you see the real me, preacher?

Can you see the real me, me, me, me...
