I got the Blue Ridge mountain blues

"Every day I'm countin' 'til I climb that mountain

And I stay right here to say

In my Blue Ridge far away"

When I was young and in my prime (In my prime) I left my home in Caroline Now all I do is sit and pine, for all those folks I left behind I got the Blue Ridge mountain blues And I sat right here to say "My grip is packed to travel, and I'm back to ramble To my Blue Ridge far away" I'm goin' to stay right by my pa I'm goin' to do right by my ma I'll hang around the cabin door No work or worry anymore I got the Blue Ridge mountain blues Goin' to see my old oak tree Gonna hunt the possum where the corn cob blossom In my Blue Ridge far away, woo I see a haze of snowy white I see a window with light I seem to hear them both sigh "Where is my wand'rin boy tonight?"
