

# Rock and Roll Girls

John Fogerty

**G** **C**  
Sometimes I think  
**D** **G** **C D**  
Life is just a rodeo  
**G** **C**  
The trick is to ride  
**D** **G** **C D**  
And make it to the bell  
**G** **C**  
But there is a place  
**D** **G** **C D**  
As sweet as you will ever know  
**G** **C**  
In music and love  
**D** **G** **C D**  
And things you never tell  
**G** **C**  
You see it in their face  
**D** **G** **C D**  
Secrets on the telephone  
**G** **C**  
A time out of time  
**D** **G**  
For you and no one else  
**G** **C**  
Hey let's go  
**D** **G** **C**  
All over the world  
**D** **G** **C**  
Rock and Roll Girls

**G** **G** **C**  
If I had my way  
**D** **G** **C D**  
I'd shuffle off to Buffalo  
**G** **C**  
Sit by the lake  
**D** **G C D**  
And watch the world go by  
**G** **C**  
Ladies in the sun  
**D** **G** **C D**  
Listening to the radio  
**G** **C**  
Like flowers on the sand  
**D** **G** **C D G**  
A rainbow in my mind  
**G** **C**  
Hey let's go  
**D** **G** **C**  
All over the world  
**D** **G** **C**
