

Tidal Wave

John Foxx

Tidal wave
Tidal wave
Tidal wave

Goes by my window
We're swimming
It's morning
No sound at all

Through floors of apartments
Background dissolves

Tidal wave
Tidal wave
Tidal wave

You're balancing bravely
It's been so long
You're speaking
Can't hear you
No sound at all

Tidal wave
Tidal wave
Tidal wave

A glimpse of old sunlight
No sound at all
A flicker of flashback
Background dissolves

Tidal wave
Tidal wave
Tidal wave
