

## Catfish Blues

John Lee Hooker

Well, I wish I was a catfish  
Swimmin' in the, the deep blue sea  
I have all you pretty women  
Fishin' after me  
Showin' up after me  
Oh, well  
Oh, well  
Oh, yeah  
Oh, yeah

Well, I went down  
To my girlfriend's house  
And I sat alone on her front step  
And she said a-come in outcha man and just your love  
I just now left  
I just now left  
And I say  
Who, yeah?  
She said sure enough you did  
Who, yeah?  
Who, yeah?  
Who, yeah?  
Oh, yeah

Yeah  
Well, there's two  
Two trains runnin'  
But there's not a one that's goin' my way  
You know there's a-one train running at midnight  
The other one leave just for day  
Leave just for day  
Oh, well  
Yeah

I role and I tumble  
Practically all night long  
I role and I tumble  
Practically all night long  
Well, my baby don't treat me well  
Yeah
