

# Doin' The Shout

John Lee Hooker

Hey, hey, hey, hey  
Hey, hey, hey, hey, hey

I'm doin' the shout  
I'm gonna do the shout  
I'm gonna do the shout  
I'm gonna do the shout

Got a letter this mornin'  
Got a letter from my baby  
She was on her way  
On her way home

Say, when I get home  
Say, with me and my baby  
We're gonna do the shout  
Gonna lock up the door  
And keep down the window

If anybody call  
Said, he not at home  
If the telephone ring  
We're not at home

We're doin' the shout  
We're doin' the shout  
We're doin' the shout  
Just me an' my baby  
Just me an' my baby

Hey, hey, hey, hey  
Gonna shout all day  
Gonna shout all night  
Just me an' my baby  
Gonna doin' the shout

Shout, baby, shout, baby  
Shout, baby, shout, baby

Hey, hey, alright

Me an' my baby  
We're doin' the shout  
We're doin' the shout

I was so glad, I was so glad  
She, my baby back home  
She, my baby back home

I'm so glad  
She, my baby back home  
Shout baby, shout baby  
Shout baby, shout baby  
Shout baby, hey, hey
