

Goin' to California

John Lee Hooker

I'm goin' to California
I'm goin' to California
Goin' to California, baby
I'm goin', I'm goin'

I'm tired of being alone
I'm tired of being alone
Tired of being alone, baby
I'm gone, I'm gone

Gonna send ya back home, back home to your mother
Gonna send ya back home, back home to your mother
Send ya back home, baby

And I'm gone myself

I'm tired of being alone, honey, most night and day
I'm goin' home to my mother, I'm goin' right down and stay
I'm gonna send ya home, baby
You look good, you won't do right
I'm goin' home

I'm goin' home
I'm goin' home
Home in California
I'm goin' out there to stay
I'm goin' out there to stay
