

Grinder Man

John Lee Hooker

Alright, I'm gonna take off here, huh
Dig the kid speech here
Dig this kid, running these bases here
I'm a grinder man

They call me the grinder man
I'm open seven days a week
They call me the grinder man
I'm open seven days a week
My mill stays open from nine in the morning
'Til seven at night
I'm a grinder man, grinder man
And I grind most everything

They call me the grinder man
I'm open seven days a week
My mill, she's open for customers
They have to stand in line to get the chops
Yeah they call me baby, they call me on my phone
Call me baby, honey call me on your phone

If you want to do the meal grind baby
You got to call me in advance

I got so many customers, I don't have no time off, haha
I got so many customers, I don't have no time off
I work seven days a week at my mill
That's why they call me the grinder man, haha
All the girls, they bring big chops to my mill
All the girls, they bring big chops to my mill
I don't fool around with men, I only grind for the girls

I'm a grinder man, I stay open both night and day
I'm a grinder man, I stays open both night and day
They call me the grinder man
Stays open both night and day
