

Huckle Up Baby

John Lee Hooker

Says huckle up, baby
Says huckle up, baby
Just huckle up, baby
Huckle up all day long

They gotta let me ride
Gotta let me go
Gotta let me live
Gotta let me go
Huckle up, huckle up all day long

Ah baby, love me now
Baby, love me now
I love her too
Love my baby now

Like the way she huckle
Huckle buckin' now
Huckle buck now, baby
Huckle buck now, baby
Huckle buck, now huckle buck all night long

Huckle up baby
Said huckle up, baby
Said huckle up, baby
Said huckle up, baby
Huckle buck all night long

Ooh, said huckle up, baby
Said huckle up, baby
Oh, huckle up baby
Huckle up all night long
