

# I Can't Believe

John Lee Hooker

I can't believe, baby, I can't believe you puttin' it down  
I just can't believe, baby  
I can't believe, I can't believe you puttin' it down  
All the things I did for you, baby  
I don't believe, I don't believe you puttin' it down  
Everybody tell me, baby, honey child, you got another man  
Mmmm, everybody tell me, little girl, you got another man

But I can't believe, I just can't believe, baby  
I just can't believe, honey child, you puttin' it down

I just don't believe, baby  
I just don't believe, baby, honey child  
You puttin' it down  
I don't care what everybody sayin'  
I still love you, baby  
I'm gonna stick by your side  
I can't believe
