

# I Don't Want Your Money

John Lee Hooker

I don't want your money baby  
All I want is your love  
Oh baby  
All I want is your love  
I need your lovin' baby  
Baby to set me free  
You got me way down, down, down yeah baby  
You treat little Johnny any kind of way  
Oh baby  
You treat little Johnny any kind of way  
I ain't down yeah for your money baby  
Baby I'm down, yeah, for your love

Yes I'm down here for you love baby  
Please don't turn little Johnny away

Every night, every night, every night baby  
Baby go to sleep in my rocking chair  
Ooh ooh every night baby  
Gonna sleep in my rocking chair  
I want you to come back home baby  
Baby to set me free
