

John L's House Rent Boogie

John Lee Hooker

[Spoken:]

Hey!

It's the house rent boogie

I come home last Friday, talk to the woman that I lost my
job

She says don't confront me an' so I have my rent next
Friday

An' next Friday come, I didn't have the rent an' out the
door I went

Yes, yes!

Hmm, hmm

Yes, yes!

Come here now y'all, right 'cross the street here

Help me get this rent together

Some give me a nickel and some give me a dime

I'm tired of keepin' this movin' every night

I can't hold out much longer

Now I got this rent, now let's get together, y'all

Let's have a ball

Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey!
