

Mambo Chillun

John Lee Hooker

Mama didn't allow me
Mambo baby
I didn't care if mama didn't allow me
I goin' to mambo in the house
Be there baby, mambo wit'chu baby
All night long, mambo wit'chu baby
Mambo don't lie, lie me to mama

I don't care, mambo don't lie
I be there baby, mambo wit'chu lie
I heard papa told my mama
Let the boy mambo!, all night long
Mama told papa, boy can't Mambo!

I don't care, mambo don't care
I goin' to mambo, I goin' to mambo
Mambo now
Mambo chillun

Last night baby, night before
I did this to mama
Mama didn't know, what my papa did
I didn't care what mambo did to me
Who did mama, in da house
Do the mambo, yeah do the mambo
All night long, baby do the mambo
I love to do the Mambo [x3]
Baby all night long
