

That's Alright

John Lee Hooker

Hmm, hmm
Lord, Lord, Lord, Lord, that's alright, babe
That's alright, that's alright, babe
I know you done me wrong, baby,
But that's alright

As the years go passing by,
I keep on loving you, baby
Lord, Lord, Lord, Lord,
I keep on lovin' you, baby

Hmm, hmm
You done me wrong, baby,
But I forgive you, baby
You, you, you done me wrong baby,
Done me wrong, baby,
But I, I, I forgive you, forgive you

Now come home, come home, come home,
Come on back home to me, baby
That's alright, baby, that's alright, that's alright
Look now people, when you love a woman,
You know she's doing you wrong
But love is blind, love is blind, love is blind
Used, used, used,
You know you been, you know you been used
But that's alright, that's alright, baby

Hmm

Lord, Lord, Lord, Lord, Lord
That's alright, baby, that's alright
You did me wrong babe, did me wrong,
But I'll keep on lovin' you
Keep on, keep on, keep on, keep on
As the years, years go passin' by, passin' by
Babe, babe, babe, baby
As the years, go, passin' by,
I love you, I love you more and more

Hmm

But that's alright, that's alright, that's alright, that's alright

Thank you
