

# Don't Walk Away

John Legend

Come back, come back  
We don't wanna go out like that  
Come back

We can't go out like this  
It's just the two of us  
We should be making up  
We could be making love  
Didn't used to talk like this  
Now you say you're giving up  
Took too much to build this house  
I don't wanna sit and watch it burn down

I ain't leaving, I ain't leaving, I ain't leaving, I ain't giving you space  
I will not be replaced  
I don't wanna save face

Don't leave me open, leave me open, leave me open, leave me open like that  
Whatever love we had  
We need to get it back

Can we just wait?  
Don't walk away  
Don't walk away  
Don't walk away

Can we just wait?  
Don't walk away  
Don't walk away  
There's so much more I wanna say

Come back, come back  
We don't wanna go out like that

Come back, come back  
We don't wanna go out like that

When we go to war like this  
Nobody's winning it  
Nobody's gotta leave  
We're not the enemy

You know we're better than this  
It's no ordinary love  
And if we gonna fight  
Then we need to fight for us

Can we just wait?  
Don't walk away  
Don't walk away  
Don't walk away

Can we just wait?  
Don't walk away  
Don't walk away  
There's so much more I wanna say

Take, take, take time  
Fragile is my love  
I ain't nevergivin' up  
Give you my life, I would  
I'll stand by you  
Bad times and good  
I can't really cope like this  
When you say you don't know me  
Oh, why can't we slow things down?  
Won't you put your love on me?  
When me touch road  
Give me one phone call  
Baby don't go  
You are my love  
So me give you my all  
I don't mind holding you, so you don't fall  
(I don't mind holding you, so you don't fall)  
(So you don't fall)

Can we just wait?  
Don't walk away  
Don't walk away  
Don't walk away

Can we just wait?  
Don't walk away  
Don't walk away  
There's so much more I wanna say

Come back, come back  
We don't wanna go out like that  
Come back, come back  
We don't wanna go out like that

Say baby  
Come on over  
Yeah  
Ooh, baby  
We don't wanna go out  
No, no, nah, nah, no
