

Favorite Place

John Legend

Yeah

I can see my eyes inside your eyes
I like how we reflecting
I'm feeling this perspective

I want my kiss to sail around your thighs
Let me do 'em justice
Yeah

I love it when my rollercoaster dips
Right into your ocean
Got no mixed emotions
Let me navigate my grip around your hips
Let me do 'em justice

No matter where I go
Anytime, any space
Your lips are my favorite place

No matter where I go
No, it don't ever change
Your lips are my favorite place

Say mmm, mmm
Your lips are my favorite place
Say mmm, mmm
Take me to my favorite place

Intertwine our legs 'til we connect
That's where I wanna linger
Wrapped around your finger
You can tie your arms around my neck
Let me feel the repercussions
Yeah

No matter where I go
Anytime, any space
Your lips are my favorite place

No matter where I go
No, it don't ever change
Your lips are my favorite place

Say mmm, mmm
Your lips are my favorite place
Say mmm, mmm
Take me to my favorite place

Baby, let's go (Baby, let's go)
Take me to my favorite place
Baby, let's go (Baby, let's go)
Let me do it justice

No matter where I go
Anytime, any space
Your lips are my favorite place

No matter where I go
No, it don't ever change
Your lips are my favorite place

Say mmm, mmm
Your lips are my favorite place
Say mmm, mmm
Take me to my, to my favorite place

Take me, baby
Aye, oh, oh, ooh, oh
To my favorite place
Take me, baby, aye
To my favorite place
Let me do it justice
