

# Green Light

John Legend

Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now  
(Let's go)  
I'm ready to go right now  
I'm ready to go right now

[John Legend]  
I see you move  
I'm checking your smile  
Working your back like it's going out of style  
Shake just a little bit faster  
Shake just a little now girl  
Dying to meet you  
So let's mess around  
I've got an obsession of us getting down  
Come just a little bit closer  
I just need permission so

[Chorus:]  
Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now  
We can go all night  
Give me the green light  
I'm ready to go right now  
I'm ready to go right now  
A 1, 2, 3 green light  
But if it's what it seems like  
The way you moving baby  
Let's me know that's gonna be right  
I'm ready to go right now  
I'm ready to go right now  
A 1, 2, 3 red light  
I wanna see what your beds like  
But if I be your buddy  
Help you study  
Gets your head right  
I'm ready to go right now  
I'm ready to go right now

[John Legend]  
Do I have a girlfriend  
Technically no  
If you be my girlfriend  
Then I'll make it so  
You'll be my only true lover  
No competition no other (no other)  
Baby is just the thrill of the chase  
But I've got a feeling that I'm winning this race!  
Baby I'm gettin much closer  
I just need permission so

[John Legend:]  
Give me the greenlight...

Give me just one night.  
I'm ready to go right now!  
I'm ready to go right now  
We can go all night  
Give me the greenlight  
I'm ready to go right now  
I'm ready to go right now

[Chorus]

[Andre 3000]  
So I went hard  
Like Medusa staring at me  
I told her let's go  
Let's blow this lane N.... factory  
She said what kind of girl  
Do you think that I are  
The kind that you meet at a bar  
You think you can get  
What ever you want 'cause you some kind of star  
No I'm a comet I just want you women  
Hey if I were you  
It would be me that I go home with, 3  
The one and only  
One thing you ain't considered  
I heard you when you told your girl  
"Oh, he can get it"  
Admit it, you did it  
Let's hop a cab and split it  
I'm kidding we both going to where you living  
I got you giggling like a piggle  
O that's the ticket  
I hope you more like  
Anita Baker than Robin Givens  
No I don't know that lady so let me quit it  
I'm just style-freeing, free-styling  
Which is what I seldom do  
This what I'm telling you  
To the bed I'm nailing you  
Like i been locked up for two years and they just lettin me loose

Give me the green light  
Give me just one night  
I'm ready to go right now  
I'm ready to go right now  
[Andre 3000 sings during chorus:]  
You got you one legend  
Sometimes you gotta step from behind the piano  
And let em know what's going on  
Even stevie wonder got down sometimes  
I'm ready to go

We could go all night  
Give me the green light

[4x]  
I'm ready to go right now  
I'm ready to go right now
