

I'm Ready

John Legend

I miss you most of all
When autumn starts to fall
When the sun sets early
When nights are getting long
And I hear our favorite song
Playing each memory

I'm trying to fall asleep
Just to see if you'll keep me company in my dream
You, you've been out of reach
All the letters I send keep coming back to me

I'm ready, I'm ready
If you want me, come get me
I'm ready, so ready
If you want me

Please reach across the sky
Take the early morning flight
I haven't moved since you've gone
Hope you still remember how
To get back in my house
Hope it ain't been too long

Oh, I'm trying to fall asleep
Just to see if you'll keep me company in my dream
Oh, if you find a way to me
I can find some ways to make you never ever leave

I'm ready, I'm ready
If you want me, come get me
I'm ready, so ready
If you want me

Oooh
La, la, la, la, la, la, la, la, la, la
Oooh
La, la, la, la, la, la, la, la, la, la

I'm ready, I'm ready
If you want me, come get me
I'm ready, so ready
If you want me

Oooh, oooh, baby
You know that I'm ready, baby
What do I have to do?
Oh, you know where I am
Baby come on over now
Come on, oooh, come on
