

# If This World Were Mine

John Legend

John Legend:

If this world were mine i would place at your feet  
All that i own you've been so good to me  
If this world were mine  
I'd give you the flowers, the birds and the bees  
And you'd be always beside me, be all that i need  
If this world were mine, i'd give you anything

Imani Uzuri:

If this world were mine i would make you a king  
With wealth untold you could have anything  
If this world were mine  
I'd give you each so sunny and blue  
And if you wanted the moonlight, i'd give you that too.  
If this world were mine  
I'd give you anything

John Legend:

Oh baby you're my inspiration  
And there's no hesitation  
If you want me all you gotta do is call me

Imani Uzuri:

Oh baby you are my constellation  
And i feel so much sensation  
I'm in your arms when you squeeze me

John Legend:

The way that you do

Imani:

The way that you love me more

John:

The way that you do  
Every Sky would be blue as long as you're loving me, baby

Imani:

When i'm here in your arms life is so wonderful my love
