

Maxine's Interlude

John Legend

Oh, oh, get back soon
Where are you now?
Oh, get back soon

Maxine
Oh where are you now?
Maxine
Oh get back soon

Where are you now?
Where are you now?

Sometimes I wonder why she wouldn't stay
What I should have changed
Sometimes I wonder why it's been so long
What did I do wrong

Maxine, Maxine
Oh, where are you now?
Oh, where are you now?
Maxine
