

# Please Come Home for Christmas

John Legend

Bells will be ringing the glad glad news  
Oh, what a Christmas to have the blues  
My baby's gone, I have no friends  
To wish me greetings once again

Choirs will be singing "Silent Night"  
Oh, Christmas carols by candlelight  
Please come home for Christmas  
Please come home for Christmas  
If not for Christmas by New Years night

Friends and relations send salutations  
Sure as the stars shine above  
Oh, this is Christmas, yes Christmas, my dear  
The time of year to be with the ones you love

Then won't you tell me you'll never more roam  
Christmas and New Years will find you home  
There'll be no more sorrow, no grief, no pain  
Because I'll be happy, happy once again

No more sorrow, no grief, no pain  
Because it's Christmas, Christmas once again

Friends and relations send salutations  
Sure as the stars shine above  
Oh, this is Christmas, yeah Christmas, my dear  
The time of year to be with the ones you love

Then won't you tell me you'll never more roam  
Christmas and New Years will find you home  
There'll be no more sorrow, no grief, no pain  
Because it's Christmas, Christmas once again
