

Save Room

John Legend

Am G Am G Am G C

Am G
Say that you stay a little
Am G
Don't say bye bye tonight
Am G
Say you'll be mine just a little of bit of
C
love Is worth a moment of your time

Am G
Knocking on your door just a little
Am G
so cold outside tonight
Am G
let's get the fire burning
C
I know, I keep it burning right

Bm
If you stay, won't you stay - stay

Am G
Save room for my love
Am G
save room for a moment to be with me
Am G
save room for my love save a little
C
save a little for me
won't you save a little
Bm
save a little for me - ohh

This just might hurt a little
love hurts sometimes when you do it right
Don't be affraid of a little bit of pain
pleasure is just on the other side

Let down your guard just a little
I keep you safe in these arms of mine
Hold on to me - pretty baby
You will see I can be all you need

If you stay, won't you stay - stay

Save room for my love
save room for a moment to be with me
save room for my love save a little
save a little for me
won't you save a little
save a little for me - ohh

[pa-ya-pa-pa] - [pa-ya-pa-pa] - [pa-ya-pa-pa] - [da-da-da]

Ohhh come on

Make time to live a little
don't let this moment slip by tonight
you never know what you are missing untill you try
I keep you satisfied
if you stay, won't you stay - stay

Save room for my love
save room for a moment to be with me
save room for my love save a little
save a little for me
won't you save a little
save a little for me - ohh

Save room for love
save room for a moment to be with me
save a little, save a little for me
won't you save a little
save a little for me
