Ran into you yesterday
Memories rushed through my brain
Its starting to hit me
Now you're not with me
I realize I made a mistake
I thought that I needed some space
But i just let love go to waste
Its so crystal clear now
That I need you here now
I gotta get you back today

This time I want it all
This time I want it all
Showing you all the cards
Giving you all my heart
This time Ill take the chance
This time Ill be your man
I can be all you need
This time its all of me

I hit the bar every night looking to score a good time Its not like I planned it Left empty handed Cause Im still alone in my mind Now what will it take to feel right Can i come see you tonight Is there someone new now What can i do now Cause i need you back by my side

This time I want it all
This time I want it all
Showing you all the cards
Giving you all my heart
This time Ill take the chance
This time Ill be your man
I can be all you need
This time its all of me

Last time I wasnt sure.
This time i will give you more
Im more mature
Ill show you
Last time i didnt know
I messed up let her let you go
I need you, dont say no

Laying alone in this room All that is missing is you Pick up the phone Wont you come home

This time i want it all
This time i want it all
I'm showing you all the cards
Giving you all my heart

This time Ill take the chance This time Ill be your man I can be all you need This time its all of me All of me
