Am C G D
A No no, it's my fault, 'cause I can't afford you

Am C G
Maybe baby, puffy, Jay Z

F
would all be better for you

E
'Cause all I can do is love you

Am C
Baby when I used to love you

G D
There's nothing that I wouldn't do
I went through the fire for you, did anything you asked me to
But I'm tired of living this lie
It's getting harder to justify
Realized that I just don't love u
Not like I used to

Holla holla holla
holla holla holla

Now, maybe, I should rob somebody
So we could, live like Whitney and Bobby
It's probably my fault, my bad, my loss
But you are, above cost
'Cause all I could do was love you

Baby when I used to love you, there's nothing that I wouldn't do
I went through the fire for you, did anything you asked me to
But I'm tired of living this lie
It's getting harder to justify
Realized that I just don't love you
Not like I used to

Holla holla holla
Holla holla holla

Now, do you remember when I used to love you
Baby no not any more, love you
Ooohhhh, I loved you
And you're gonna miss me now yeah

Baby when I used to love you
There's nothing that I wouldn't do,
I went through the fire for u, and I'm not gonna play the fool
No I can't live this life, and I can't justify, and I can't make you my wife
Cos I don't love you
Not like I used to do

Holla holla holla
Holla holla holla

Oh I used to love you
Oh I used to love you

Oh but I don't love you
Oh but I don't love you

Oh but you're gonna miss me now

Baby when I used to love you, there's nothing that I wouldn't do
I went through the fire for you, but im not gonna play the fool
No I cant live this lye
And I cant Justify
Realized that I just don't love you
Not like I used to

Holla holla holla
