

# God Save The Queen

John Lydon

God save the queen  
The fascist regime  
They made you a moron  
A potential H bomb

God save the queen  
She's not a human being  
and There's no future  
And England's dreaming

Don't be told what you want  
Don't be told what you need  
There's no future  
No future  
No future for you

God save the queen  
We mean it man  
We love our queen  
God saves

God save the queen  
'Cause tourists are money  
And our figurehead  
Is not what she seems

Oh God save history  
God save your mad parade  
Oh Lord God have mercy  
All crimes are paid

Oh when there's no future  
How can there be sin  
We're the flowers  
In the dustbin  
We're the poison  
In your human machine  
We're the future  
Your future

God save the queen  
We mean it man  
We love our queen  
God saves

God save the queen  
We mean it man  
There's no future  
In England's dreaming God save the queen

No future  
No future  
No future for you

No future  
No future  
No future for me

No future  
No future  
No future for you
