

# Dress Us Up

John Mark McMillan

Dress us up in your righteousness  
Bring us in with a ring and a kiss  
When you walk into the room you know we can't resist  
Every bottle of perfume always ends up on the floor in  
a mess

You make us sparkle and you make us shine  
Like the stars who sing on your chorus line  
Through space and time we'll harmonize  
Where deep meets deep like the ocean meets the sky

The sun and the moon  
They come out of their grave just for you  
The dead man and the cynical too  
They're coming out of their grave  
And it's just for you

Cause the love of God is stronger  
The love of God is stronger  
The love of God is stronger  
Than the power of death

Dress us up in the blood of a son  
Who opened up his veins so that we would overcome  
Hell and the grave in the power of his love  
After three dark days he showed us how it's done  
And he still does

You make us sparkle and you make us shine  
Like the stars who sing on your chorus line  
Through space and time we'll harmonize  
Where deep meets deep like the ocean meets the sky  
Yeah

The sun and the moon  
They come out of their grave just for you  
The dead man and the cynical too  
They're coming out of their grave  
And it's just for you  
Cause the love of God is stronger  
The love of God is stronger  
The love of God is stronger  
Than the power of death

His love is stronger, his love is stronger, his love is  
stronger, his love is stronger  
His love is stronger, his love is stronger, his love is  
stronger, his love is stronger
