

## Another Man

John Mayall

Another man done gone  
Another man done gone  
Another man done gone, another man done gone, another man  
done gone  
On the country farm  
He's on the country farm, on the country farm, he's on  
the country farm  
Another man done gone  
Another man done gone, another man done gone, another man  
done gone  
I don't know his name  
Didn't know his name, I didn't know his name, I didn't  
know his name
