

# Lil' Boogie In The Afternoon

John Mayall

1. Lil Boogie In The Afternoon  
I dont want to make up your mind  
I dont want to take up all of your time  
Just wanna get it over to you  
Just how much I wanna be with you  
Like early in the morning  
And like late at night  
And lil boogie in the afternoon

Looking in the windows of your mind  
I see its show time  
Time to show what I (can/will) do

You've gotta treat me right  
I really wanna be with you  
It's up to you  
(how much you want to do)

Like early in the morning  
And - late at night  
And lil boogie in the afternoon  
And we can (leave/give) - , the rest to the moon

I don't want to wake up and fino  
You gone - , in the morning  
So how do we work it  
I guess we'll have to spend the night
