

## Room To Move

John Mayall

May seem peculiar  
How I think of you  
If you want me, darlin'  
Here's what you must do  
You gotta give me  
'Cause I can't give the best  
Unless I got room to move  
If you want me darlin'  
Take me how you can  
I'll be circulatin'  
'Cause that's the way I am  
You gotta give me  
'Cause I can't give the best  
Unless I got room to move
