

I'm writing you, to catch you up on places I've been
And you held this letter
Probably got excited
But there's nothing else inside it

Didn't have a camera by my side this time
Hoping I would see the world through both my eyes
Maybe I will tell you all about it
When I'm in the mood to lose my way with words

Today, skies are painted colors of a cowboy cliché
And strange how clouds that look
Like mountains in the sky
Are next to mountains anyway

Didn't have a camera by my side this time
Hoping I would see the world through both my eyes
Maybe I will tell you all about it
When I'm in the mood to lose my way but let me say

You should have seen that sunrise with your own eyes
It brought me back to life
You'll be with me next time I go outside
No more 3 by 5's

I guess
You had to be there
I guess
You had to be with me

Oh today, I finally overcame
Tryin' to fit the world inside a picture frame
Maybe I will tell you all about it
When I'm in the mood to lose my way but let me say

You should have seen that sunrise with your own eyes
It brought me back to life
You'll be with me next time I go outside
No more 3 by 5's, just no more 3 by 5's
