

Not Myself

John Mayer

G D F C

G D F C
Suppose I said I am on my best behaviour
G D
and there are times
F C
I lose my worried mind?

G C D C
Would you want me when I'm not myself?
G C D C
Wait it out while I am someone else

G D F C
Suppose I said colors change for no good reason
G D F C
And words will go from poetry to prose?

G C D C
Would you want me when I'm not my self?
G C D C
Wait it out while I am some one else

Em D C Em D C
And I in time
Em D C
Will come around
G Am A
I always do
C
For you

G D F C

G D
Suppose I said you're
F C
my saving grace
G G
My grace... would you want me
C D
When I'm not myself...
C C
not myself when I'm someone
G
Else...
C D
when I'm someone else
C
When I'm some - one else
G C
when I'm not myself

G C D C
Wait it out while I am someone else
G C D C

Wait it out while I am someone else....
