

I Don't Know Why I Love You

John Mellencamp

I don't know why I love you
I don't know why but I love you
I don't know why I love you
But I love you

Always treat me like a fool
Kick me when I'm down that's your rule
I don't know why I love you
But I love you

You never stop with those cheatin ways
With another guy
You laugh in my face
Lord how much can I be disgraced
Cause I love you
Oh baby yeah
I don't know why I love you
I don't know why
But I love you
I don't know why I love you baby
But I love you baby
Oh yeah

You throw my heart down in the dirt
You made me crawl on
This cold black earth
No I never knew how much love could hurt
Until I loved you, baby
I can't stop, I can't stop crying, can't you see
Here I'm pleadin with you baby now
I'm on my knees, on my knees
Won't you help me, oh help me please
Cause I love you, baby
I love you, baby
I don't know, I don't know, we don't know
Can't do nothing about it
Can't do nothing about it
I don't know why I love you, oh yeah baby
I can't stop, I can't stop crying
I'm on my knees, baby
Won't you help me, please
I don't know why I love you
But I love you baby
