

Indigo Sunset

John Mellencamp

I close my eyes
And think of you
Your smiling face
And that heart so true
I could close my eyes
And see the sun setting on you

Spirit takes me
Back in time
A sweeter place
Was yours and mine
I just close my eyes
See the sun setting on you

You'll always be the one I'd choose
A million kisses and I love you
Oh and I, I just close my eyes and see the sun setting on you

Leaves piled on the ground
Winter's coming on cold and long
Miss you so much babe
Hey but you're still gone
I just close my eyes
See the sun setting on you

My fingers combing thru your hair
You took my hand and swore you'd always be there
Oh and I, I just close my eyes and see the sun setting on you
Baby I, I just close my eyes and see the sun setting on you
