They are master and slave. We are sunlight and shadow. All roads to the river. I am lost. I am saved. I'm beloved and betrayed. All roads to the river.

And the river runs wide,
And the river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.

I am whispering dreams.
I am howling revolutions.
All roads to the river.
I am valentine sweet
And I live in this nightmare.
All roads to the river.
And the river runs wide,
The river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.

This is nothing like we planned. That's the way it's always been. All roads to the river. I have hated and I have loved. I have prayed and I have sinned. All roads to the river.

And the river runs wide,
The river runs deep
And I spit in the eye
Of safe company.
When I dive right down
To the undertow
Well, the deeper I drown
Lord, the higher I'll go.
