

# Cowboy Love

John Michael Montgomery

You drive a baby blue Beamer  
I drive a pickup truck  
I'm a member of the good ol' boys  
You're a member of the Country Club  
You keep turnin' me down when I ask you out  
But I ain't givin' up  
I'm gonna show you darlin' a little cowboy love

Let me broaden your horizons  
Teach you 'bout the finer things in life  
Like some late night horseback ridin'  
Sippin' on some southern homemade wine  
If a little two steppin', star gazin', breathtakin', lovemakin'  
Is what your dreamin' of  
Then let me show you darlin' a little cowboy love

You need a little adventure  
To ignite your world  
I can picture you in cowboy boots  
I can picture you a country girl  
Once you give me a try then you'll know why  
You can't get enough  
So let me show you darlin' a little cowboy love

Let me broaden your horizons  
Teach you 'bout the finer things in life  
Like some late night horseback ridin'  
Sippin' on some southern homemade wine  
If a little two steppin', star gazin', breathtakin', lovemakin'  
Is what your dreamin' of  
Then let me show you darlin' a little cowboy love

Underneath the midnight moonlight  
Cuddled up real tight  
Cozied down by a fire  
Listenin' to some George Strait, George Jones  
Country love songs you'll change your mind

Well let me broaden your horizons  
Teach you 'bout the finer things in life  
Like some late night horseback ridin'  
Sippin' on some southern homemade wine  
If a little two steppin', star gazin', breathtakin', lovemakin'  
Is what your dreamin' of  
Then let me show you darlin' a little cowboy love  
Let me show you darlin' a little cowboy love
