

Loving and Letting Go

John Michael Montgomery

I don't want to be the one who always does the holdin' on
I've been there before
I don't want to hang around if all
I'm doing is losing ground just say no more

I don't want to live a lie I'd rather just say goodnight
And carry on
If you love me like you say then clear this cloud of doubt away
And prove me wrong

Oh and stop this loving and letting go
I can't take it anymore
See I love you baby more than you know
And stop this hurting game inside
It ain't no kind of life
This loving and letting go

Darling when you came along I thought my heart had found a home
And I opened it up
But broken dreams don't have a cure and that's why I need to be
sure
It's really love

Oh and stop this loving and letting go
I can't take it anymore
See I love you baby more than you know
And stop this hurting game inside
It ain't no kind of life
This loving and letting go

If we can let's try to work it out 'cause I don't want to live
without you in my life

Oh and stop this loving and letting go
I can't take it anymore
'Cause I love you baby more than you know
And stop this hurting game inside
It ain't no kind of life
This loving and letting go
This loving and letting go
Lettin' go
