

Nothing Catches Jesus by Surprise

John Michael Montgomery

Catching Babe Ruth, catching Roger Maris
The way you caught my eye in Parris...Tennessee

Selling seduction, well I'm seduced
We sell a war then we sell a truce
It's the truth

Baby just close your eyes
Nothin' catches Jesus by surprise

Confusing love for heated passion
Got what I wanted but no satisfaction

Ain't it funny how things can change
We're amazed how they stay the same
Oh, it's the same

Baby just close your eyes
Nothin' catches Jesus by surprise

You look so pretty when you smile
I haven't seen that for a while

Talk about trouble we've had our share
It's a wonder we're still here

I don't know why I make you cry
It's the part of me I don't like at all

Baby just close your eyes
Nothin' catches Jesus by surprise

Baby just close your eyes
Nothin' catches Jesus by surprise
