

# What Did I Do

John Michael Montgomery

I don't go to church as much as I should  
I ain't been to see my maman as often as I could  
I've been partyin' too much and stayin' out too late  
And according to the circuit judge I'm a no good reprobate  
That maybe true so I don't have a clue  
Tell me

What did I do to deserve this  
This high this smile this kind of love I'm in  
I know I'm a long way from perfect  
But she says she likes me just the way I am  
I can't believe it, it makes me nervous  
What did I do to deserve this

She was looking for a challenge or some diamond in the rough  
She like the kind of guy that needs a little tuning up  
Was it my blue eyes that got her or my backwoods southern draw  
Or the way I play this old guitar that got that girl to fall  
Or could it be she's just got it bad for me  
Tell me

What did I do to deserve this  
This high this smile this kind of love I'm in  
I know I'm a long way from perfect  
But she says she likes me just the way I am  
I can't believe it, it makes me nervous  
What did I do to deserve this

I don't dress up in Armani  
I ain't got no Maserati  
So why's she looking at me  
Like I'm her sugar daddy

I'm broke, tell me

What did I do to deserve this  
This high this smile this kind of love I'm in  
I know I'm a long way from perfect  
But she says she likes me just the way I am  
But I can't believe it, it makes me nervous  
What did I do, Hell I wish I knew what did I do to deserve this

Aw man that's my girl get in this Pontiac
