

With My Shirt On

John Michael Montgomery

Remember Key West, spring break
We were twenty one, in perfect shape
We stayed oiled up and half naked all week long

But that was ten years and twenty pounds ago
Girl, you're still a ten, but I'm somewhere below
So tonight, can I make love with my shirt on?

You say our love has grown beyond the physical
And you tell me that you think I'm irresistible
The truth is I've been workin' out but I've still got a little
ways to go
So tonight, can I make love with my shirt on?

Call it ego, insecurity
But you remember the man I used to be
Fearless, young and chiseled like a stone

The kids are sleepin', the blinds are open
Ooh, that moonlight sure is strong
So tonight, can I make love with my shirt on?

Now you say our love has grown beyond the physical
And you tell me that you think I'm irresistible
Today I had a salad but I gave in and ate a roll
So tonight, can I make love with my shirt on?

Yeah, you know forty, sure has come fast
And my metabolism is gettin' slow
So tonight, can I make love with my shirt on?

Go and turn the lights out
