

# Great God You Are

John P. Kee

Great things happen, in your presence  
Blessings come down, when you're there  
Great things happen, in your presence  
You're great, our God, you are  
You are, you are, you are

The blessings of God all over us  
And the Kingdom it shall be  
Your presence and favor over us  
In your presence we shall see  
You're great, our God, you are  
You are

Great things happen, in your presence  
Blessings come down, when you're there  
Great things happen, in your presence  
You're great, our God, you are  
You are, you are, you are

The blessings of God all over us  
And the Kingdom it shall be  
Your presence and favor over us

In your presence we shall see  
You're great, our God, you are
