I'm living this life just to live again, and with the Lord I know that I shall reign. I shall not stray, with Him I'll stay; He'll welcome His children home one day.

Like a theif in the night, He shall return for me.

And with the Lord I'll fly away you'll see; Jesus will welcome me home.

He'll welcome, yes, He'll welcome.

He'll welcome, yes, He'll welcome me.

Jesus will welcome me home.
