

He's the Greatest

John P. Kee

Lord, You're great,
You're the Great I Am;
pick up my cross and follow You.

Lord, You're great,
You're the Great I Am;
we worship You in spirit and in truth.

Tenors: You're the greatest...
Sopranos/Altos: greatest...

Tenors: You're the greatest...
Sopranos/Altos: greatest...

we are humbled at the cross
where You were raised.
Greatest, greatest,
the Lord is great, and greatly to be praised.

Authority and power in His hand,
accessed by faith to every man;
who gave His son that we might be redeemed upon the tree;
our God is great and greatly to be praised.

He is the greatest,
He is a great God.
He is the greatest,
He is the Great I Am.

He is the greatest,
He is the Great I Am.
He is the greatest.

Yeah, He is the Great I Am, yeah.

Greater is He that is in me, yeah.

Vamp 4:
He is the greatest,
He is the greatest.

Ending:
The Lord is great
and greatly to be praised.
