

One Yes Away

John P. Kee

One yes away from my miracle
I am one yes away from what's mine
I'm one yes away from the things you promised me
I say yes, yes
It's mine

Yes to your will and your way
Yes to new mercy everyday
I'm one yes away from the things you promised me
I say yes, yes
It's mine

One yes away from my miracle

I am one yes away from what's mine
I'm one yes away from the things you promised me
I say yes, yes
It's mine

I say yes
I say yes
I say yes
Yes, God
(Repeat)

One yes away from the things you promised me
I say yes, yes
It's mine
