

Oooaaaay

John P. Kee

Oooaaaay, my blessing is on the way
Anticipate every day, it's coming
Oooaaaay, my blessing is on the way
Anticipate every day, it's coming

I like you know, it's on the way
(My blessing is coming and I know, he loves me first)
I like you know, it's on the way
(I can declare it because I know, he never fails)
I like you know, it's on the way
(He gives to everyone he loves, liberally)
I like you know, it's on the way
(I can declare it because I know, He really loves me)

How many blessing are you waiting on?
All of them, all of them
Say all of them, all of them
All of them, all of them
How many blessing are you waiting on?
All of them, all of them
Say all of them, all of them
All of them, all of them
How many blessing are you waiting on?
All of them, all of them
How many blessing did He promise you?
All of them, all of them
Say all of them, all of them
All of them, all of them
I need them, on the way
It's on the way

It's on the way, It's on the way
I like you know
