

That's Why I Praise You

John P. Kee

Send the storm, send the rain,
another trial laced in pain.
I've seen joy I've seen tears,
had a little doubt, and I've walked in fear.
I've been deceived so many times,
You gave me peace, You even kept my mind;
You're worthy to be praised

Lord, I'm so grateful for all You've done;
You opened blinded eyes that I might see the light,
all the things that were wrong,
You came along and made them right;

I've given out, I've given in,
but by Your power I still win.
There are people running scared of what they see,
trying to find their way out of misery.
Rumors of wars threaten our land,
but I know You've got it all in the palm of Your hand;
You're worthy to be praised.

Lord, I'm so grateful for all You've done;
You made a way when I thought there was no way,
shined Your light on my life and right now I can say,
You've been faithful.

That's why I praise You (3x),
You're worthy to be praised
