

We Walk By Faith

John P. Kee

We walk by faith and not by sight
In thee I put my trust
All my battles He will fight
In order to please you (4x)
We walk by faith in order to please the Lord

I don't live by what I see
But everyday striving in the faith
That delivered me
(Now faith is the substance of things hoped for
For without faith it's impossible (3x))
To please the Lord
(We walk by faith in order to please the Lord)

I don't live by what I see
But everyday living in the faith
That delivered me
(Now faith is the substance of things hoped for
For without faith it's impossible (3x))
To please the Lord
(We walk by faith in order to please the Lord)

We walk by faith (repeat)
